Orbit Protect Experience New Zealand Travel Insurance

For the best protection from touchdown to takeoff.

Just passing through? Thinking of studying in New Zealand? Or maybe you want to stay and apply for residency? Making these big decisions for you and your family is tough enough without having to change your insurance cover every time your circumstances change.

OrbitProtect Experience New Zealand plans cover visitors, prospective residents and everyone in between with affordable cover that reflects the local environment. If your visit to New Zealand is just part of a bigger trip through the South West Pacific, we provide great coverage for up to 31 days for travel through New Zealand to places like Australia, Fiji and New Caledonia.

If you come to New Zealand as a visitor and then decide to stay on and study, our plans also provide you with the additional insurance protection schools require.

Our plans are underwritten by one of New Zealand's largest insurers, NZI, a business division of IAG New Zealand Limited.

Medical care

If you unexpectedly become ill, or suffer an accident or injury, you won't have to worry about paying for your medical care. We will pay for your doctor, hospital and day care treatment costs.

Medical evacuation

In serious circumstances, as a result of injury or illness, you may need to be returned to your country of origin. At such a stressful time we will help you by taking care of the costly expenses involved, allowing you to totally focus on the most important matter – your recovery.

If you don't want to return home when we think you should, a NZ\$20,000 treatment in New Zealand option, not normally included in Travel Insurance, is available.

Property

The Prime plan provides you with a generous amount of cover for your baggage and personal effects. Alternatively, under our Lite plan, you can elect to specify the items you wish to insure or choose to leave property out of your cover.

IMPORTANT: Please read the Benefits Summary on this brochure and visit www.orbitprotect.com for all terms, conditions, exclusions and excesses that apply to these insurance plans.

Individual high-valued items

The Prime plan gives you full cover for any items (like cameras or computers) that are valued in excess of NZ\$2,500 when you specify these items on the application form. You can also specify property cover under the Lite plan (additional premiums apply).

Pre-existing medical conditions

You are NOT automatically covered for pre-existing medical conditions. However, cover can be arranged in certain circumstances for a small processing fee of NZ\$40.

Special medical benefit!

There are advantages in continuing unbroken cover with us, but please understand we are not obliged to provide you with a new policy when your current policy ends. Please contact us for more information.
