Important

- 1 You must read this brochure and make sure you understand its content. You can ask your recruitment officer, prospective employer or us if you have any questions or you don't understand the content of this brochure.
- 2 Pre-Existing Medical Conditions. Do you have now, or have you had in the past, any medical condition that requires or required treatment? If yes, have your home country immigration team or prospective employer contact us. We may be able to provide you with cover, at an additional premium. Please read and understand the definition of a pre-existing condition in this brochure.
- 3 Baggage Cover. Do you have personal valuable items you wish to cover? If yes, please ask your employer to contact us. We can provide cover for your personal items for additional premiums.
- 4 Please read the Benefits Summary on this brochure and visit www.orbitprotect.com for all terms, conditions, exclusions and excesses that apply to this insurance plan.

Medical care

If you unexpectedly become ill, or suffer an accident or injury, you won't have to worry about paying for your medical care. We will pay for your doctor, hospital and day care treatment costs. The NZ Accident Compensation Corporation (ACC) is by law the primary provider of cover for injuries that occur in New Zealand.

Medical evacuation

In serious circumstances, as a result of injury or illness, you may need to be returned to your country of origin. At such a stressful time, we will help you by organising your safe return home and by covering some of the costly expenses, allowing you to focus on the most important matter – your recovery. Please read the **IMPORTANT INFORMATION** section of this brochure. There are benefits and limitations to consider.

Pre-existing medical conditions

You are NOT automatically covered for pre-existing medical conditions. However, cover can be arranged in certain circumstances for an additional premium.

The excess that applies to each claim

An excess of \$50 in total applies to any one claim, however there are some exceptions as follows:

- a Medical expenses, there is no excess applicable.
- b Early return home (see section 3.3 of the policy), there is no excess applicable.

IMPORTANT INFORMATION you need to know

In a serious medical situation, you may need to return to your country of origin. Should this happen, we can help you in a number of ways:

- If returning to your country of origin is not safe, you have unlimited dollar value cover for necessary treatment in New Zealand for up to 12 months from the date the medical condition developed, or until it's safe to return to your country of origin (whichever comes first).
- Returning you to your country of origin with medical support (supported by a nurse and/or doctor during the flight) is at our discretion, based on medical advice, your safety, wellbeing, and overall costs.
- If we conclude that medical support is required to return you to your country of origin, up to NZ \$20,000 is available for treatment at home for 12 months from the date the condition first developed. If you have other insured or free treatment options in your country of origin, the \$20,000 is only available if the other options fall short. If medical support is not required to return you to your country of origin, the NZ \$20,000 treatment cover is not available in your country of origin.

Extended Benefits - for illness events only.

- If you wish to stay in New Zealand for ongoing treatment for an illness, NZ \$100,000 is available for necessary New Zealand treatment. The New Zealand treatment cover is available for 12 months from the date the condition first developed. The limit cannot be increased even if your health deteriorates. If you have other insured or free treatment options, the \$100,000 is only available if the other options fall short.
- If your treatment under the NZ \$100,000 treatment benefit extends beyond your initial visa period, reasonable accommodation costs are covered up to NZ \$30,000. Living costs are also paid at \$50 per day up to a maximum of NZ \$5,000 (if no light duty options are available). These benefits apply from the day after your initial visa ends and are not backdated.

Pre-existing medical conditions are NOT covered by this insurance. The following extract from our policy wording will help you to understand what a pre-existing condition is:

- Any medical or physical conditions or circumstances:
 - which you are aware of, or ought to have been aware of; or
 - for which advice, care, treatment, medication or medical attention has been sought, given, or recommended; or
 - which have been diagnosed as a medical condition, or an illness or indicative of an illness; or
 - are of such a nature to require, or which potentially may require medical attention; or
 - are of such a nature as would have caused a prudent, reasonable person to seek medical attention.
- We only provide cover for unexpected events. It is your responsibility to pay for medical check ups and treatment for the maintenance of your physical and dental health.
- We will not provide cover if you travel against medical advice.
- Pregnancy is not covered, but we will cover the medical costs of miscarriage that occurs before the start of the 21st week of pregnancy.
- We do not provide cover for property claims if you leave your property unattended in a public place or in an unsecured location.
- You must report any loss or theft of property to the police or authorities within 24 hours and obtain a written report.
- Cover will not be provided if alcohol, drugs or illegal activities are involved in any event that causes you any injury or loss.
- If you want to make a claim for an injury that occurred in New Zealand, you must first make a claim to the New Zealand Accident Compensation Corporation (ACC).
- We can not help you to return home to see a critically ill family member (as defined up to the age of 70) if the illness existed in any way prior to the start date of your insurance.
- Our insurance is only available to those that are in good health. Should your health change prior to leaving for New Zealand you must advise us or your employer.
- Triage Programme (in trial) – Over the counter Pharmacy Medication. To help you to minimise any medical claim we allow selected pharmacies to provide over the counter medications (prescription not required). Please understand that we can discontinue this process at any time without notice.

您需要了解的重要信息

在发生严重健康状况时，你可能需要回国治疗。如果发生这种情况，我们可以采用多种方式协助你：

- 如果回国治疗不安全，你可以在从病情发作之日起的12个月内新西兰接受不限额度的必要治疗，或者直到你可以安全回国治疗（以先到者为准）。
- 我们根据医生建议、你的安全和健康情况及总成本，自行确定给你提供回国支持（护士和/或医生陪伴你飞回国）。
- 如果我们推断需要协助你回国治疗，我们将在从首次发病之日起12个月内提供最高NZ\$20,000的回国治疗费。如果你在国内有其他保险或得到免费治疗，只有在其不足以支付医疗费的情况下，我们才提供NZ\$20,000治疗费。如果你回国时不需要支持，回国治疗不得享受NZ\$20,000医疗保险。

治疗期延长赔付 — 仅限于重病。

- 如果你想留在新西兰治病，我们提供NZ\$100,000在新西兰的必要治疗费。新西兰治疗保险为期12个月，从首次发病之日算起。即使你的健康状况恶化，此限额也不会增加。如果你有其他保险或得到免费治疗，只有在其不足以支付医疗费的情况下，我们才提供NZ\$100,000治疗费。
- 如果NZ\$100,000治疗期超出你的首次签证有效期，最高赔付NZ\$30,000合理住宿费。每天支付\$50生活费，总计最高NZ\$5,000（如果没有其他小额支出）。从首次签证到期之后开始赔付这些款项，不回溯。
