Get paid as you go without paying
for the unexpected.

 **Orbit

Superb coverage and exceptional value insurance for working holiday makers

Thinking of taking a working holiday in New Zealand?

Fantastic! You should also be thinking of buying Working Holiday Insurance to protect you when things go wrong.

OrbitProtect has put a lot of thought into making the Working Holiday plan affordable for you. To make the insurance as affordable as possible, we pack our plans with the essentials and leave out the 'fillers' you don't need. We know the difference because we're a New Zealand company specialising in insurance for New Zealand conditions.

The OrbitProtect Lite Working Holiday plan is especially designed for Working Holiday visa holders in New Zealand only.

If you intend to travel from New Zealand to countries in the South West Pacific, we provide great coverage for up to 31 days to places like Australia, Fiji and New Caledonia.

All our plans are underwritten by nib nz limited.

Medical care

If you unexpectedly become ill, or suffer an accident or injury, you won't have to worry about paying for your medical care. We will pay for your doctor, hospital and day care treatment costs, which exceed the excesses that apply.

Medical evacuation

In serious circumstances, as a result of injury or illness, you may need to be returned to your country of origin. At such a stressful time we will help you by taking care of the costly expenses involved, allowing you to totally focus on the most important matter – your recovery.

Property

Our Working Holiday plan does not provide automatic property cover. However, there are two options where you may be able to choose to insure your belongings. You may choose to specify individual items you want to insure or to insure your general baggage and personal effects (additional premiums apply under these options).

IMPORTANT: Please read the Benefits Summary on this brochure and visit www.orbitprotect.com for all terms, conditions, exclusions and excesses that apply to these insurance plans.

Pre-existing medical conditions

You are NOT automatically covered for pre-existing medical conditions. However, cover can be arranged in certain circumstances for a small processing fee of NZ\$45. Should we agree to provide cover for your pre-existing medical conditions, additional premium over and above the base premium will be charged.

Special medical benefit!

There are advantages in continuing unbroken cover with us. Please contact us for more information.

The excess that applies to each claim...

NZ\$50 on all accidental injury claims and NZ\$100 on all other claims.
